Dear Sir:

In the Response to the Office Action filed January 25, 2006, Applicant submits a set of replacement or substitute drawings for the above-captioned patent application. The substitute drawings conform to U.S. practice to replace those prepared according to Mexico, where the priority application was filed. Care has been taken to avoid the new matter. Reconsideration of the requirement is required.

Approval of the replacement drawings submitted herewith is respectfully requested.

Respectfully submitted,
